EVERY CONNECTION COUNTS

OUR PURPOSE

**WE CREATE
A SAFER,
SUSTAINABLE,
PRODUCTIVE
AND CONNECTED
FUTURE.**

**ADVANCING THE FUTURE
OF TRANSPORTATION**

**REVOLUTIONIZING
MEDICAL TECHNOLOGY**

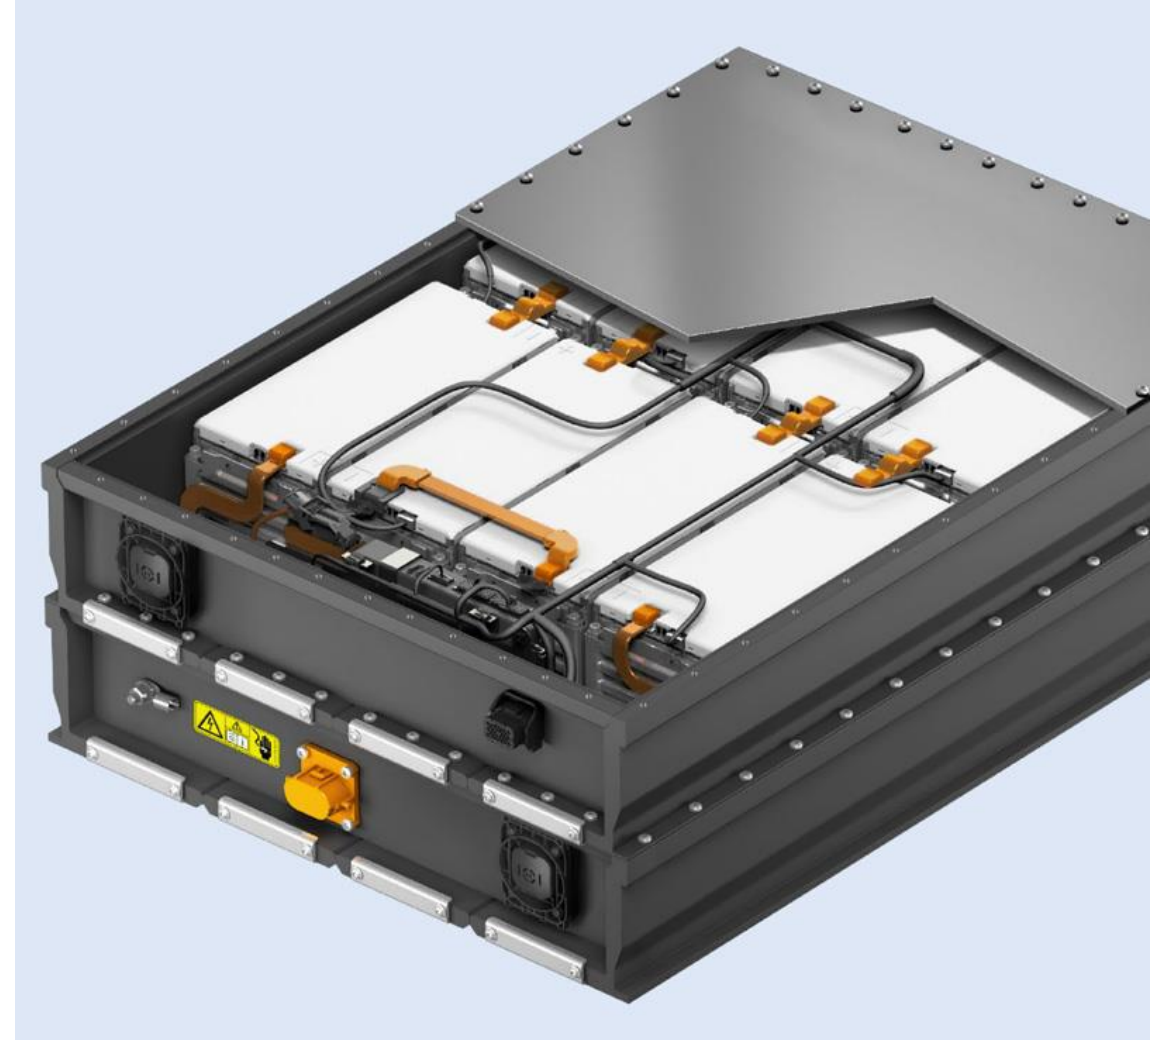

**ENABLING GLOBAL
COMMUNICATION
NETWORKS**

**MAKING FACTORIES &
HOMES SMARTER**

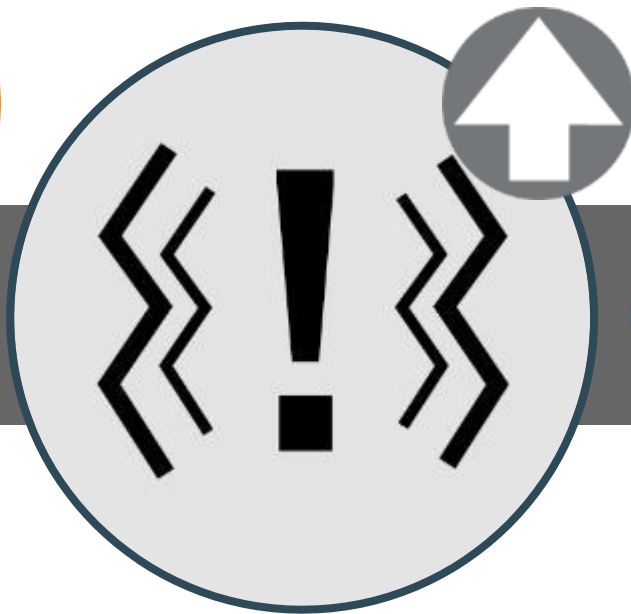

Challenging Requirements in Challenging Environments

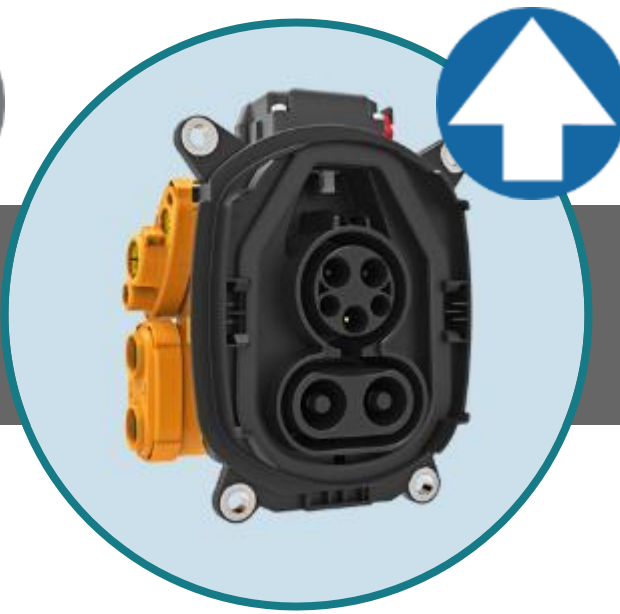

Challenging Requirements in Challenging Environments

Voltage and Current

Vibration

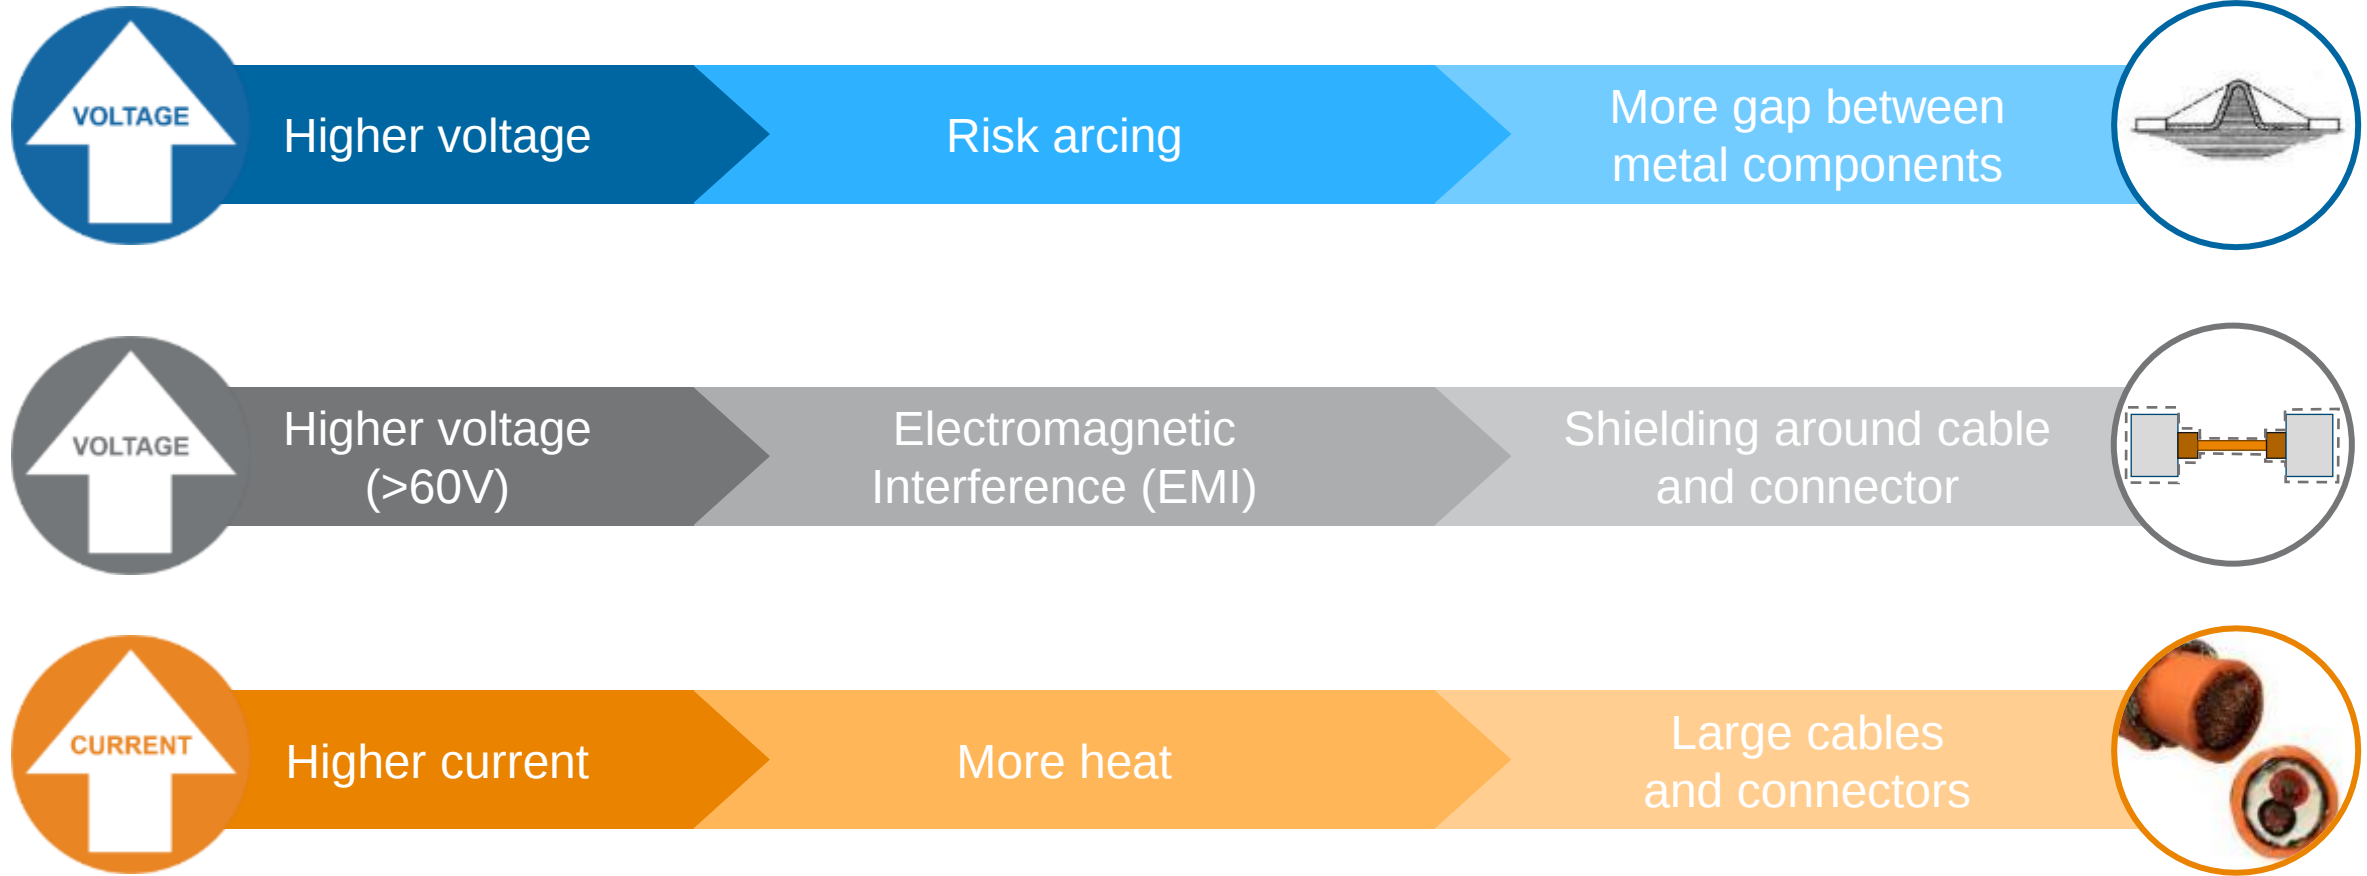

Charging Speed

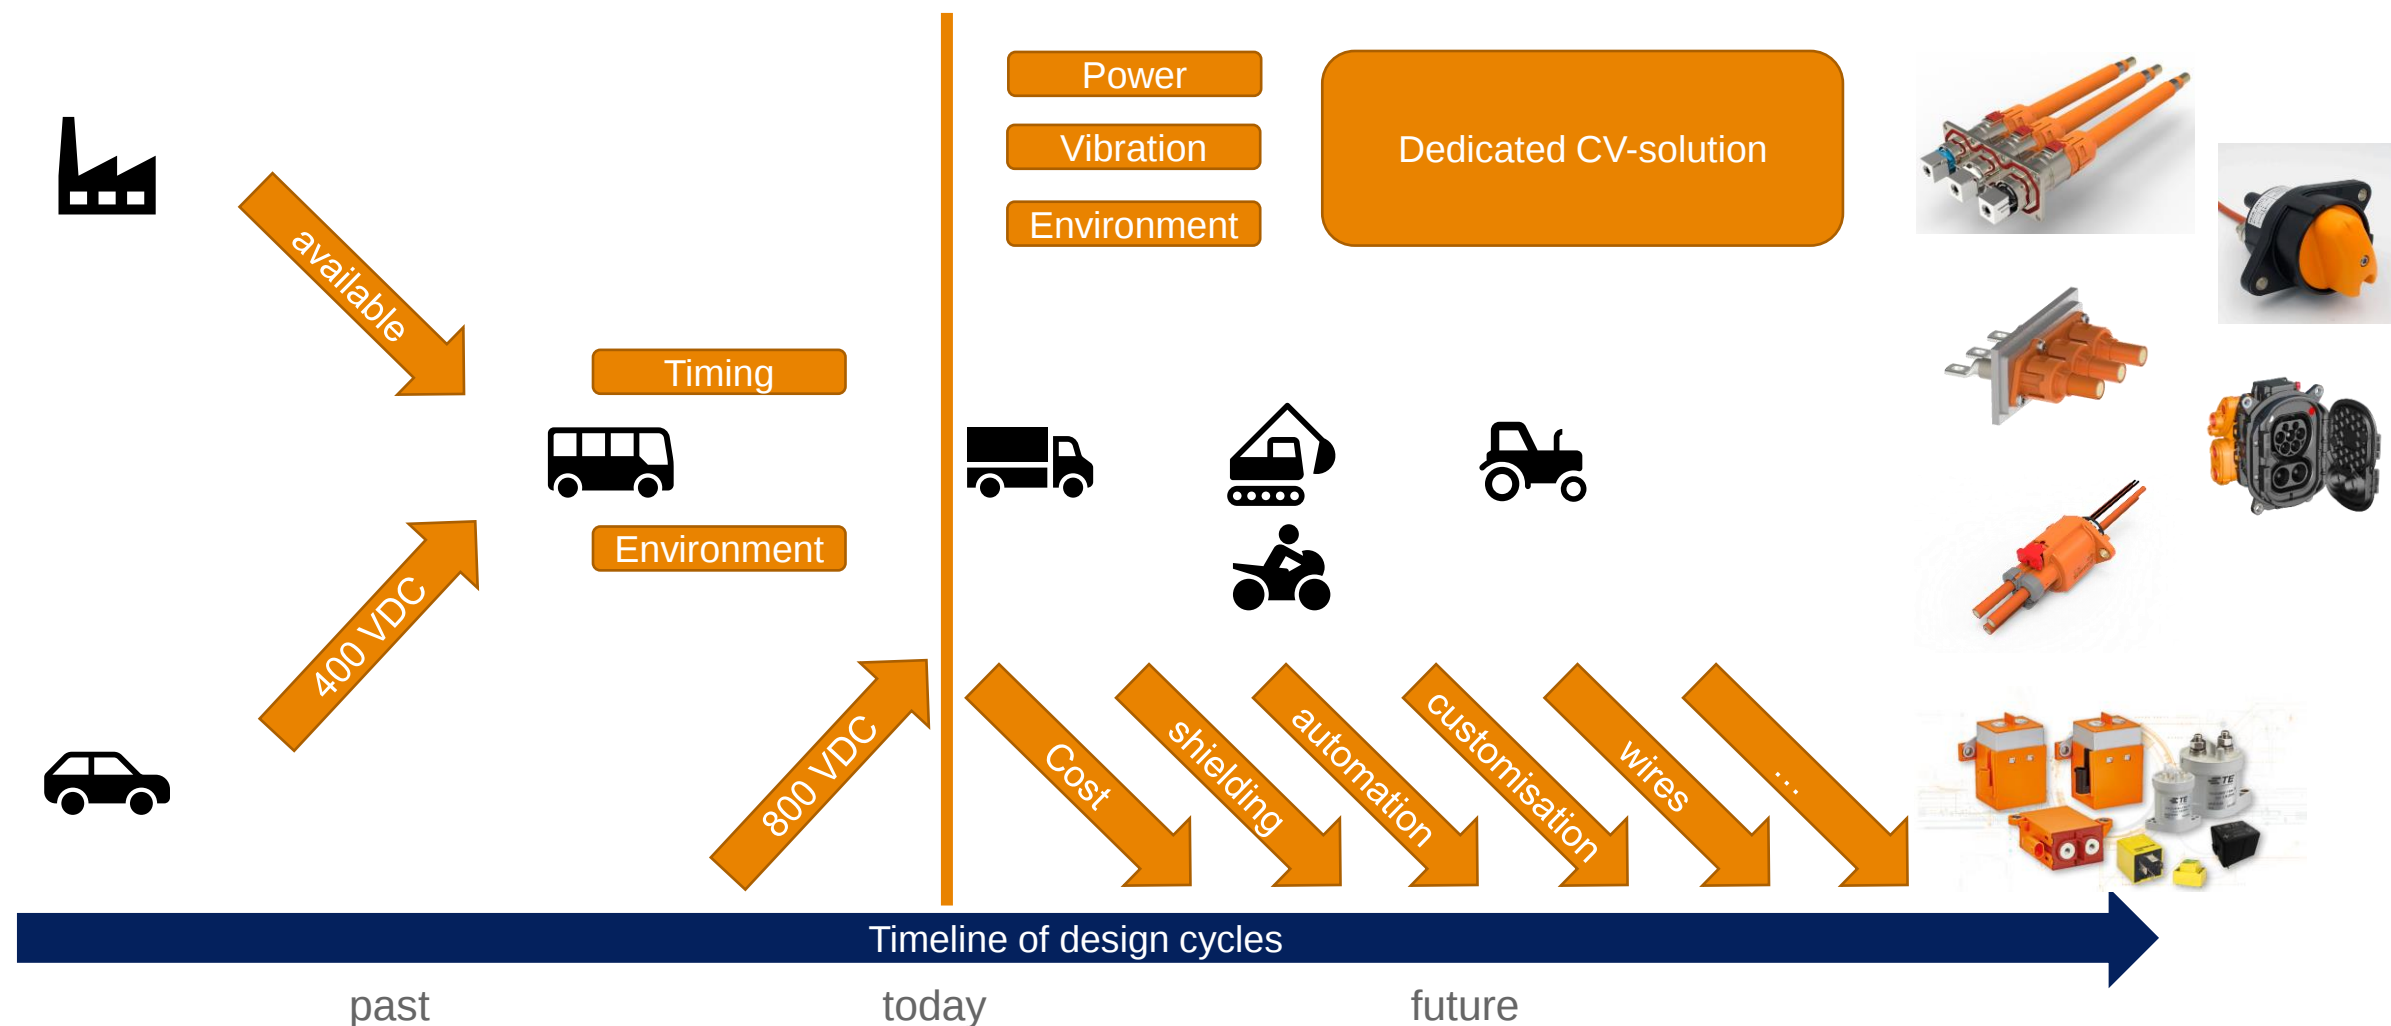

Harsh Environments

Challenging Requirements in Challenging Environments

Power = Voltage x Current

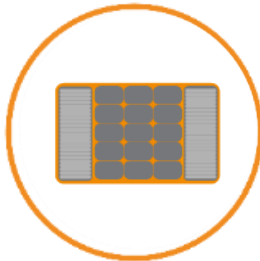

Industrial & Commercial Transportation – path to eMob

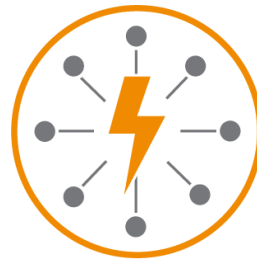

Key Applications

E-Motor

Battery Pack

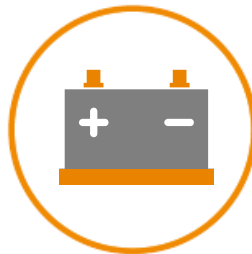

Power
Distribution

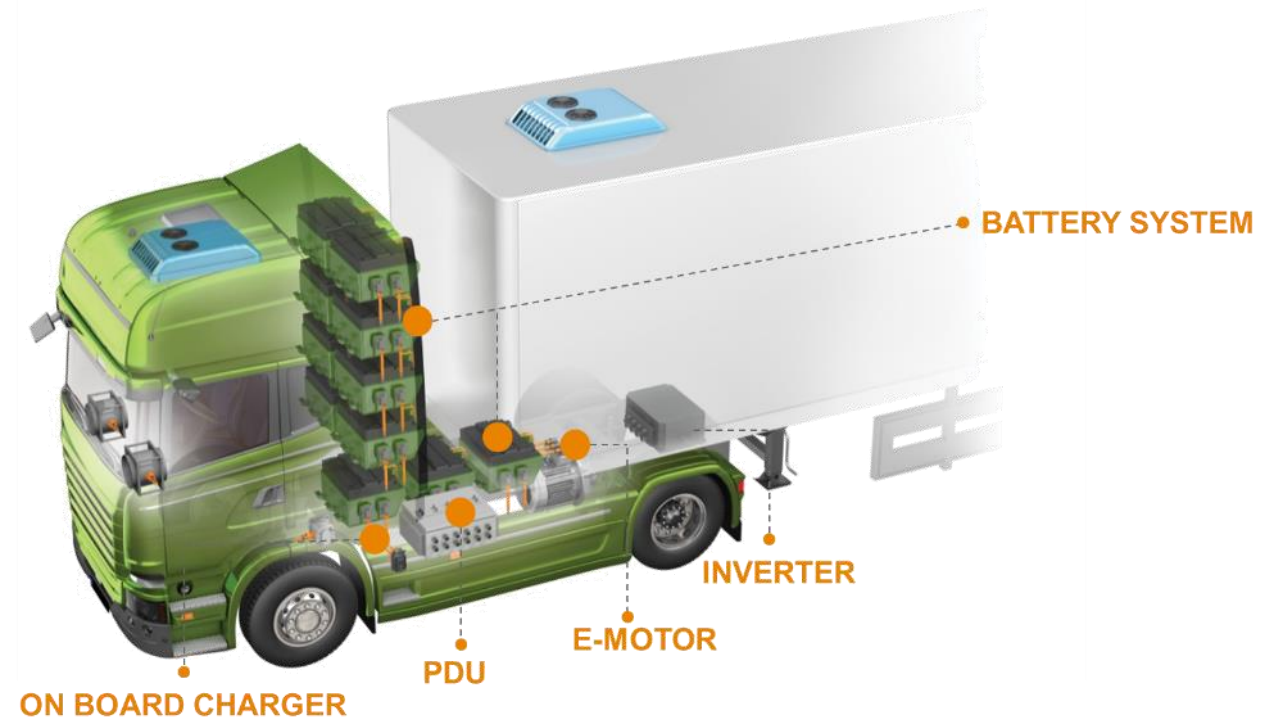

On Board
Charger

High Power
Auxiliaries

Inverter

TE HV Connector portfolio commercial vehicles

Coming Soon 2024

Higher Vibration
Higher Voltage
Higher Current
Larger Cables

HVA-HD 400 Heavy Duty Accessory Connector

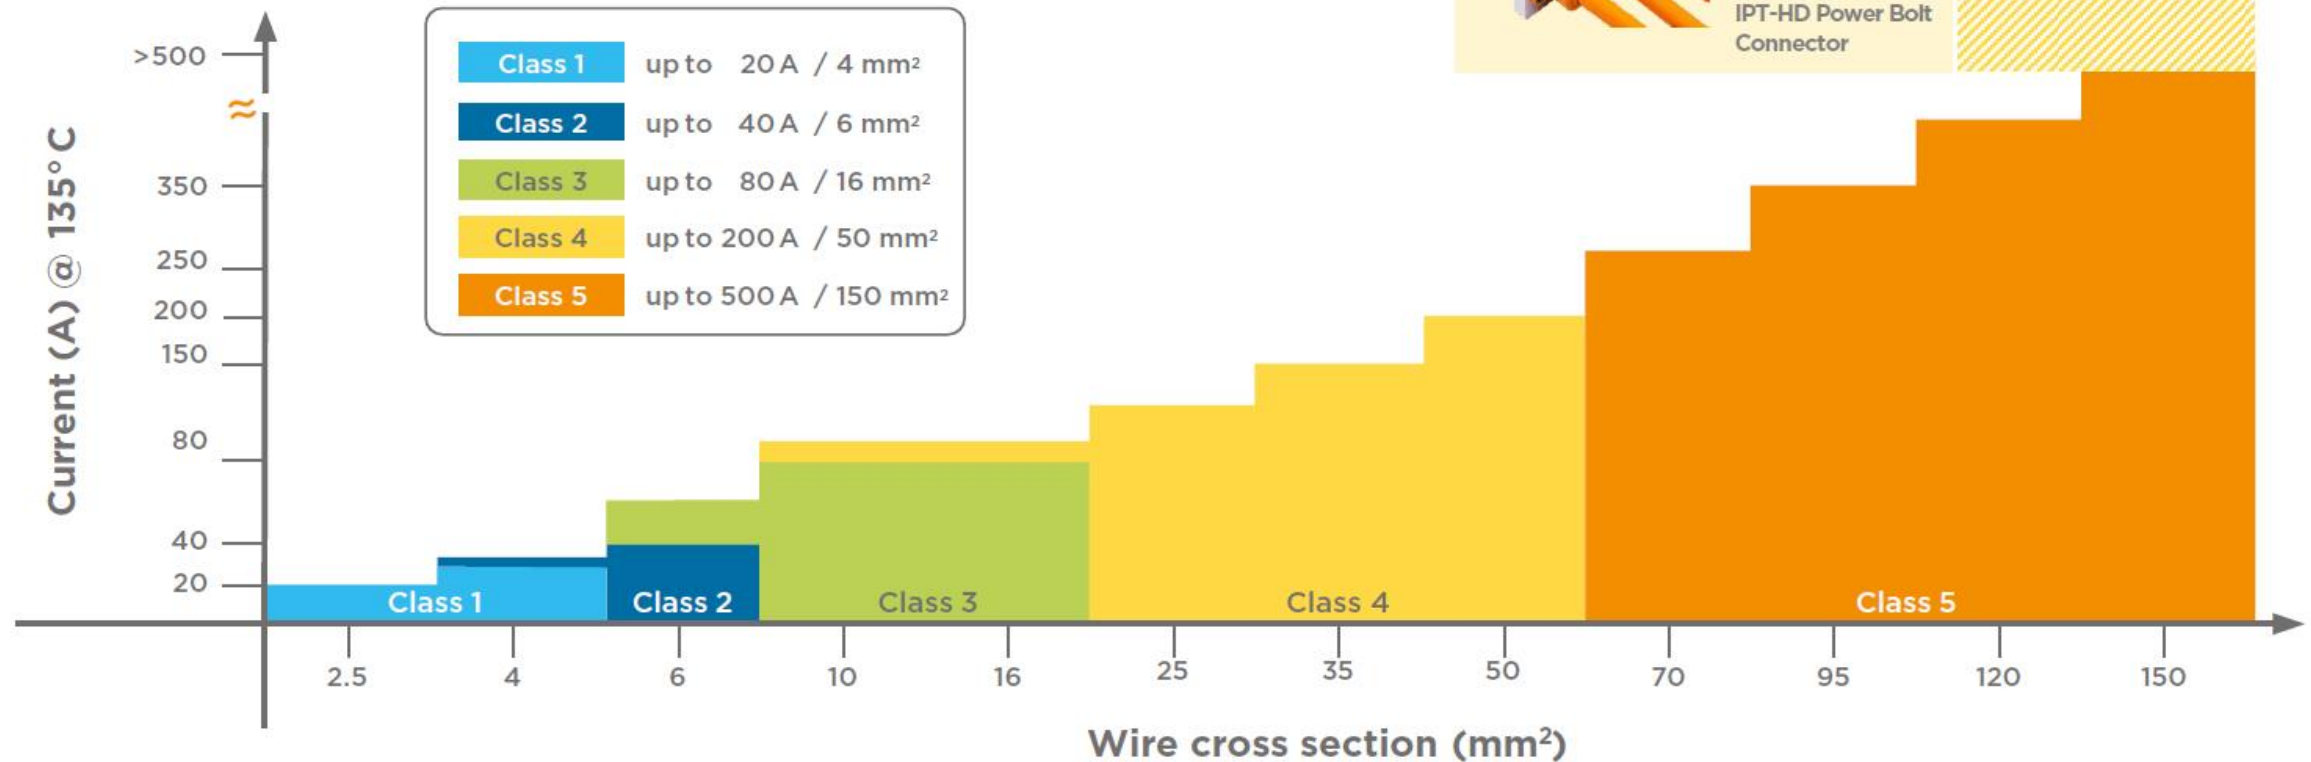

HVA-HD 600 Heavy Duty Accessory Connector

PowerTube HVP-HD1000/1400 High Current Heavy Duty Connector

IPT-HD Power Bolt Connector

ANY CONNECTION CAN CHANGE THE WORLD
